A decorative arch and pergola structure is the central focus. The arch is made of light-colored wood and is adorned with several large, spherical, woven lanterns hanging from it. The pergola is also made of wood and is decorated with a large, lush floral arrangement on top, featuring orange anthuriums, white roses, and greenery. The entire structure is set on a wooden deck. The background is a soft, overcast sky. The text 'Arch & Pergola' is overlaid in the center in a white, elegant script font.

A photograph of an outdoor dining area at dusk. A long table with a white tablecloth is set with several floral centerpieces of white and red flowers. The table is surrounded by wooden chairs with white seats. In the background, a wooden house with a dark, textured roof is visible. The scene is illuminated by numerous warm-toned string lights that are strung across the area and hang down in some places, creating a bokeh effect. The sky is a deep blue, and the overall atmosphere is romantic and cozy.
